

**ANNOUNCEMENT OF INTENTION NOT TO PREPARE AN ENVIRONMENTAL STATEMENT
Environmental Impact Assessment (Land Drainage Improvement Works)
Regulations 1999, as amended**

Morton's Leam, near Whittlesey, Cambridgeshire

North Level District Internal Drainage Board (the Board) gives notice that it proposes to undertake works to remove excessive vegetation and siltation from the bed of Morton's Leam, and to spread the removed material (after drying). Tree and scrub growth will be removed if encountered.

The lengths of Morton's Leam affected by these works are as follows (stated distances and grid references are approximate):

Location A – 975m between TL 3223 9937 & TL 3310 9980

Location B – 1025m between TL 2894 9894 & TL 2995 9906

Location C – 930m between TL 2542 9829 & TL 2636 9831

The Board considers that the proposed works are not likely to have significant effects on the environment and does not intend to prepare an environmental statement in respect of them.

A Habitats Regulations Assessment has been prepared in connection with the proposals and assent has been issued by Natural England. Copies of these may be viewed by appointment during normal working hours (Monday to Friday, 8.30am to 4.30pm) at the address shown below (please telephone to arrange a time).

Any person wishing to make representations in relation to the likely environmental effects of the proposed works should do so, in writing, to the address below, within 30 days of the date of publication of this notice.
